ABOUT ME_

Hii i am Ujjal Mondal, From, Ashoknagar, West Bengal. I'am 22years old, I am graduation complete from Netaji Satabarshiki Mahavidyalaya College in Ashoknagar.

my professional learning experience Web-design ,I have more than 1 year learning experience. My professional experience how can i transform a web psd to web page, and if thare is any kind of error on the web page , I can modifying it.

What I say, I try to say directly, when I try to do something, I don't give up easily. As I have learned many strength sports skills so far. Many people give up doing that.

I am a passionate web developer with a strong background in HTML, CSS, and learning JavaScript. I love creating beautiful and functional websites that deliver a great user experience. When I'm not coding, I enjoy hiking, photography, and exploring new technologies. Feel free to reach out to me if you have any questions, project ideas, or just want to say hello. You can email me at neverendingstuios@gmail.com or connect with me on LinkedIn and Twitter
